- Local
- STD
- Mobile
- International

Please be advised, we require 4 weeks notice for all telephone, fax and internet connections to be installed. Last minute requests are subject to availability and existing time constraints.

Please indicate the approximate location of primary service placement within the booth with an X and any neighbouring booth numbers.

If available, please attach additional documentation/floor plans to ensure accurate placement of services. If no location is provided within 4 days before the show move-in date, our services will be placed in the most convenient location.

IMPORTANT: Each Device connected to the Crown Perth Network (including wireless) will need an individual prepaid access code. The prepaid access code is valid for one device only.

Any queries in regards to internet issue please contact Crown Events & Conferences Perth on 08 9362 8354.

Wireless Access Points, DHCP Servers, Routers, Nat Devices or Proxy Servers on the Crown Perth network are strictly prohibited.

Terms and Conditions

- All of the Crown Perth IT's equipment supplied or otherwise made available to an exhibitor must remain on the premises at all time. It is the exhibitor's responsibility to return any equipment issued in full working order.
- No person, other than Crown Perth IT staff, may install or bring equipment in connection with IT services onto the property (other than as provided herein). Crown Perth IT will not accept any responsibility for damage or delays caused by unsatisfactory installations carried out by personnel other than the Crown Perth IT staff or for insufficient time allowed for connection and testing of services.
- Any connections identified as compromising the stability or usability if the network will be disconnected and not reinstated until the problem has been rectified to the satisfaction of Crown Perth IT Services.
- The services provided by Crown Perth IT staff are limited to the provision of physical connection.
- Crown Perth IT does not provide technical support for exhibitor's computer hardware or software related issues.
- Crown Perth IT does not provide technical support on any issues related to the configuration of exhibitor's computer equipment.
- Crown Perth IT does not allow the use of routers, proxy servers, DHCP servers or Wireless Access Points on the High Speed Internet Connection.
- Due to the dynamic nature of Internet, B Crown Perth IT cannot guarantee any level of performance or accessibility beyond our gateway. Any issue in regards to bandwidth, firewall, proxy setting and etc, have to direct to Crown Perth.
- Notification of additional connection or cancellation received or changed after 4 days **PRIOR** to move-in date will be undertaken at the Crown Perth IT's discretion and if deliverable, may incur a late notice fee.
- The exhibitor is responsible for any loss or damage suffered by Crown Perth in contravening these terms and conditions.
- Wireless Services:
 - Wireless/System performance, battery life and functionality may vary depending on your specific hardware and software configurations.
 - Wireless Access Points are strictly prohibited unless authorized by the Crown Perth IT
 - Client must provide their own 802.11 compliant wireless device.
- Internet service requirement/client responsibilities – It is the responsibility of the client to provide the following:
 - Computers, workstations, etc.
 - Proper configuration of computer equipment for TCP/IP connection.
 - Printer, scanner, faxes, etc.
